🎓 EDUCATION

BE Artificial Intelligence And Data Science

MET, BKC, IOE

2025 | Nashik, India

📄 PROFILE

Hello! I'm Shubham Sanap, a tech enthusiast and aspiring engineer currently pursuing my education in Artificial Intelligence and Data Science at MET, BKC, IOE, NASHIK. I'm deeply passionate about leveraging technology to solve real-world problems. From coding intricate algorithms to designing innovative solutions, I relish the process of turning ideas into tangible innovations. Join me on this exciting journey as I fuse my engineering education with my tech-driven spirit.
